MANY VOICES, ONE HEART

President's Message

It's not too late to register for the 79th Annual Convention! You will find the registration form attached to this email. This is going to be a productive 26 hours.

Start the meeting by coming early to get free skin and make up advice from Estee Lauder and Origins Cosmetics. We are delighted to have both of these companies at the hotel from 10 A.M. until 1:30 P.M. on Friday. Let's show our appreciation to them by coming early enough to take advantage of what they are offering: skin care advice, mini make-overs, color analysis, chair massages and SAMPLES! It is a win-win for everyone!

Every member of the TMAA is a delegate to this convention, so all members are welcome. This allows each one of you to use your voice to tell the delegation to the AMAA annual convention how you feel about the possible by-laws change.

You will find that by attending this meeting you will benefit from the things that TMAA membership provides.

- Making a difference in your community
- Learn about Health Projects you can do in your community
- Personal Growth and Enrichment
- Learn about recognizing Leadership Opportunities. This information will apply to all aspects of your life, not just the Alliance.
- Support to the family of medicine.
- Network with other medical families.
- Get the latest on MLR

I look forward to seeing each of you!

Of Making a Difference in
Tennessee.
April 27 and 28.**

Spring is a time for renewal. We have been offered from Origins and Estee Lauder representatives a chance to pamper ourselves. For those who arrive early (between 10 a.m. – 1 p.m. on Friday, April 27), indulge and pamper yourself with the following they have to offer us:

- Massage Therapy
- Color and Skin Care Consultation
- Register for a Gift Basket

Such an opportunity for us and there's no charge. That's correct, absolutely free.

SO.... JOIN US AT THE UPCOMING

TMAA 79TH ANNUAL CONVENTION

You'll have fun, share fellowship, and do our state alliance business. We'll leave refreshed and full of ideas to make the coming alliance year a good one. Look forward to seeing you there.

P.I.T.C.H.

Please mark your calendars to go to Nashville for P.I.T.C.H. (**Physicians Involved at TN's Capitol Hill**). Your presence says a lot to our legislators on Capitol Hill. Please check the list * to see when your county will be attending. Please take a minute to sign up to attend "Physicians Involved at Tennessee's Capitol Hill" (PITCH) for your region. You can sign up by clicking here: <http://www.medwire.org/tma/pitchindex2007.html> or contacting Marcia Sorrell at 1 (800) 659-1862 or Marcias@tma.medwire.org or in Regions 1, 4, 6, 7 and 8, your local staff. The presence of the white coats on the Hill sends a huge message to our Legislators that we care about the decisions they make that affect medicine. If your spouse can't go, you can come and be their voice. See you in Nashville!
